

BROADWAY

CHRISTIAN CHURCH

What are your services like?

Our Sunday morning services are contemporary. We worship God through prayer, singing praise songs and contemporary hymns and listening to teaching from Scripture. Our music is exciting and we use piano, keyboard, guitars, drums and occasionally a choir.

If you would like to get a better idea of what our worship services are like before you visit, check out the samples on this page where you can listen to excerpts of a sermon and worship songs.

What should I wear?

At Broadway, you will see people dressed anywhere from suits-and-ties to jeans and sandals. And while we believe in honoring God's Word and loving our neighbor through modest and respectful attire, please don't let matters of dress ever keep you from coming to our church.

How long will the services last?

Our services last for about an hour and thirty minutes. Generally, the pastor preaches for 45 minutes.

Will I have to say anything, sign anything, or be singled out in any way?

Please don't be nervous about your first visit with us. You are our guest, and we want you to feel comfortable. While you will be greeted and welcomed, you won't be put on the spot, singled-out or embarrassed. We do want to get to know you and would love to have you visit our Welcome Center and the Broadway Café for some great espresso drinks.

Am I going to be expected to give money?

Absolutely not! However, during each service there is a time to worship God through the giving of tithes and offerings. This is an act of worship for our members and friends (those who consider Broadway their church home), allowing them to thank God for all of the great work He is doing in their lives. As a guest, please do not feel any pressure or obligation to give.

What about my kids? Is there child care available?

At Broadway, we don't just provide child-care - we have special programming for every child from 0 through 6th grade. Come to the registration window in the Welcome Center to find out where your children will go. During the morning service, your children will have fun, be well cared for, and learn about the gospel in a safe, loving environment.

Are your facilities handicap accessible?

Yes, the main level of the church facility including the sanctuary are wheelchair accessible via a ramp.

Are you affiliated with a particular denomination?

Broadway Christian Church is an independent, non-denominational church. We follow an Elder-led governmental model and our people come from a wide variety of denominational backgrounds. Together, we focus on biblical truths and teachings and pursuing an active relationship with Jesus Christ. Please visit "About Us" for more specific information on our doctrinal beliefs.

What if I'm not even sure I believe in God?

If you haven't made a decision to follow Christ, but would like to know more about it - you're a seeker - and that's a good thing! That means you're asking questions about spiritual things and how they might relate to your life. We want to welcome you to explore answers to your questions here.

Will I understand the message even if I don't know much about the Bible?

Our pastor presents messages that connect with people's lives by using the ageless wisdom of Scripture and presenting it in a creative, yet straight-forward way. The services are designed to be easily understood by individuals checking out what it really means to have a personal relationship with Jesus as well as those who have been committed Christ-followers for many years. We think you'll find our services to be very helpful in your personal spiritual growth.

But I still have more questions!

Please feel free to call us anytime - we'll be happy to answer any question you may have. Better yet, why not visit us this Sunday and see for yourself what God is doing here at Broadway!
