Where we build relationships
and expand connections

Broadway's New Health Ministry Coordinator

Welcome to Mary Pedersen, RN. Mary is Broadway's new Health Ministry Coordinator. She will begin to set up health teams that will see to the needs of our congregation and community.

One of Mary's first ideas is to have each of you fill out a confidential health survey. You don't even have to fill in your name, but the surveys will help her evaluate her priorities. Please return your survey ASAP to the church office.

Mary is anxious to meet each of you and will be "hanging out her shingle" very soon!
