

Our Preschool Mission

The Brooklet United Methodist Preschool and Learning Center provides a developmentally appropriate educational program for the children in our church and community that is rooted in the principles of God's love. The program educates the whole child, regardless of abilities, in a Christian atmosphere emphasizing development in faith, family and community.

Our Preschool Goals

Children will be strengthened and empowered through:

1. Instilling an understanding of God's love and purpose for their lives
2. The development of respect for self and the rights of others
3. Provision of readiness experiences that foster growth in all developmental domains

Families will be strengthened and empowered through:

1. The understanding of their critical role of parents as first teachers
2. Fellowship among families
3. Support through education and resources
4. Participation in community events
5. Preparation as partners in education with their child and their child's teachers

The community will be enhanced through:

1. Service projects
2. Raising awareness of issues impacting preschool children
3. Linking our curriculum with the community curriculum to ensure a smooth transition to school beyond preschool

Staff will be prepared to support the children through:

1. On-going Training
2. Professional Development
3. Performance Evaluation
