WE USE THE WEE LEARN CURRICULUM

The WEE Learn Curriculum is committed to helping each unique child reach his or her maximum potential at his or her own pace. Teaching children in this setting is designed for multiple learning styles with hands on learning, personality types and individual differences. It also teaches getting along with others while developing skills and using creativity.

“Brownsville Little Tykes is a wonderful place for our children. Not only do they have fun, they learn a lot too!”

— Ben Kiesler
2 Daughters

WEE Learn provides resources that are child-centered and age appropriate with curriculum developed around themes which are designed to lay a foundation for understanding God, Jesus, the Bible, the church, self, others and the natural world around us.

** ABOUT BLT **

As a ministry to our church and the community, Brownsville Assembly of God operates a high-quality Christian Daycare for Infant -5 year old children.

OUR PHILOSOPHY

It is our desire to provide a safe and loving environment for all children. Since each child develops differently mentally, physically, spiritually, socially & emotionally, age-appropriate learning experiences are provided to allow each child to progress at his/her own pace and to experience success through hands-on activities in learning centers.

OUR STAFF

All personnel of this program will be professing Christians and active participants in their church, will incorporate appropriate Bible stories and verses and will strive to lay the foundation for the development of a biblical worldview in the mind and heart of each child.
