Youth and Parents

It's cold outside! But for a minute, consider summer time: and our youth mission trip! This coming year, our we will be participating in the local, inter-denominational **Nehemiah Project**. From Sunday evening, June 16 to Friday, June 21, you will have an amazing opportunity to show Christ's love in a practical, hands-on way through home renovation projects in your own "backyard" - to the people of Augusta County, Staunton and Waynesboro. What a great way to "love our neighbors!"

During this week, our team of students and adult leaders will be working together with many teens and leaders from many churches in the Valley. Each night they will get a chance to worship together at Kate Collins Middle School in Waynesboro, where they will also stay each night. On Wednesday, our youth group will only work ½ a day and then go do something fun together!

Youth - don't miss this great missions opportunity to be the hands and feet of Christ with many students who you already know and go to school with. Get pumped and start raising money!

Parents - consider being a crew leader, helping with work site lunches, chaperoning, helping with registration, etc. Also, help your teen send out support letters to family & friends (available soon).

The "early-bird" cost for this project is only **\$175** due by **May 1** (*after this, the cost jumps up to \$250*). This will be the most affordable mission trip of the summer because of the minimal travel and other expenses involved. The \$175 covers 3 meals a day for Monday-Friday, transportation and resources for the projects, 5-night stay at Kate Collins Middle School, great "camp" worship services, Wednesday evening's special, fun event, and NP 2013 t-shirt!

Please register & pay a **\$50** non-refundable deposit by **March 1** (and get a prize). Make checks out to Calvary Baptist Church with "NP 2013" in the memo. To raise money, (1) work the fundraisers coming up, (2) send out support letters to family and friends, and (3) work and make some money!
