A Word From Bro. Wade

I am beyond excited for our first ever “High School Only” summer camp along with our first experience with Bigstuf Camps. Bigstuf is a first-class ministry that comes highly recommended and provides an awesome camp environment for students in which they can connect with God and deepen their faith. Not to mention, students get to spend a week at the beach! A week at Bigstuf will be a week our high school students will not soon forget. I have already begun praying for many high schoolers to join us on this adventure and for what God is going to do in all of our lives.

Please be aware that our scheduled week of camp is already sold out, which means any unused reservations must be released by the registration deadline, which is January 13. Any high school student planning to attend camp MUST return this registration along with \$60 deposit by January 13 in order to have a spot for camp. There is NO flexibility with this deadline as there has been in year’s past.

One quick word on cost: I know camp costs are high. Let me encourage students and parents in a few areas: 1.) Starting saving/making payments now! 2.) Ask for money for camp for Christmas or Birthdays. 3.) Participate in church sponsored fundraisers. 4.) Do some work! The church will be sponsoring a fundraiser in February where students can earn money for camp as well as posting a jobs board in March where students can pick up information on people who need some work done. Bottom line—put in some effort, and you CAN afford to go to camp. Make your plans now to join us for an incredible week!
