A Word From Bro. Wade

Summer 2019 is going to be a blast at Calvary! Next summer, we will attend our first ever “Middle School Only” camp at Centrifuge in Bolivar, MO. Centrifuge will take place on the campus of Southwest Baptist University and will be a fantastic week of worship and fun for all of our middle school students. Our goal with camp next summer is to see every middle school student in attendance take the next step in their faith journey, whatever that might be. Through times of worship, recreation, and Bible study, students will be challenged and encouraged to dive deeper into their relationship with God. I am already praying for every middle schooler who will attend and I pray that you will strongly consider going to camp next summer. You will not regret it, and will never forget it!

Please make note of the registration deadlines for camp. Every student who plans to attend Centrifuge MUST turn in this registration form along with a \$60 deposit by Sunday, January 27 in order to have a spot reserved. So don't delay!

One quick word on cost: I know camp costs are high. Let me encourage students and parents in a few areas: 1.) Starting saving/making payments now! 2.) Ask for money for camp for Christmas or Birthdays. 3.) Participate in church sponsored fundraisers. 4.) Do some work! The church will be sponsoring a fundraiser in February where students can earn money for camp as well as posting a jobs board in March where students can pick up information on people who need some work done. Bottom line—put in some effort, and you CAN afford to go to camp. Make your plans now to join us for an incredible week!
