## A Word From Bro. Wade

I am thrilled to invite you to join our first ever Mission Alton! It's a mission trip to our own community! Join us as we spend the week, sleeping at the Calvary campus, worshipping together, working together, and investing in our community. Students will arrive on Monday evening for dinner and worship, followed by three days of working in our community as we serve others and live on mission in our community.

At the end of the week, we will celebrate with a trip to Six Flags on Friday! This will be a great opportunity for students to spend a week of their summer serving others and having a great time doing it! I want to encourage all of our Calvary students to attend and ask a friend to come too!

Use the registration portion of this brochure to get signed up and turn in with payment to the CBC offices. Sign up today and commit to being a part of Mission Alton!
