

Mystery Babylon - Part Two

Revelation 18: 1-24

Pastor Neil Travisano - July 12, 2015

The last time we were in chapter seventeen we saw Babylon portrayed as a religious organization. This week our passage finds Babylon described in a completely different form: as a sort of economic power. What is it that we can learn from this Babylon that would have application to our lives in the here and now? All of us might be surprised how relevant these verses are to us. There are three main thoughts that will help in this.

1. THE ECONOMIC BABYLON:

A. _____ REVELATION 18:1-8

B. _____ REVELATION 18:9-19

C. _____ REVELATION 18:20-24

2. THE BIBLICAL PRINCIPLES DRAWN FROM BABYLON:

A. _____ LUKE 12:15-21

B. _____ 1 TIMOTHY 6:10

C. _____ 1 TIMOTHY 6:11-12

3. THE APPLICATIONS DRAWN FROM BABYLON:

A. _____ 1 TIMOTHY 6:17-18

B. _____ 1 TIMOTHY 6:19
