Note from the Accounting Manager

Happy Summer! During this time of the year, people often ask how to give during the periods they are away on vacation. There are a few ways this can be done:

Online Giving:

Our online giving system is a safe and flexible way to give at CCC. You can visit our website at www.lynnfield-ccc.org/giving.

Text Giving:

Text 'CALVARYCC' and the dollar amount you want to give to 73256. Then click the link in the reply text to complete your gift.

Bank E-Checks:

Go to your bank online bill payment service and set up your contribution checks on a one-time or recurring basis. In most cases, this is a service banks provide free of charge.

Mail: You can also simply mail your contributions to Calvary Christian Church
Attn: Accounting at 47 Grove Street, Lynnfield, MA 01940.
