Middle School Ministry is a place where your 5th - 8th grade students can come to belong, grow in their faith, and learn how they can serve in the Church.

This ministry also serves as a great tool to transition 5th graders out of our wonderful children's ministry. We meet in the Middle School Room located in the lower level of our building. Service times are Sunday at 8:30am and 10:30am. Hope to see your student there.

High School Ministry is a group specifically for students in grades 9-12. In this group, students get an opportunity to discuss how faith and the Bible are relevant to our lives and things going on in current events. They are able to ask hard questions about Christianity and wrestle with biblical truths. We meet in KidZone in the lower level of our building on Sunday at 10:30am.
