Parent Signature

1. Record the number of minutes that you practiced after each session.
2. Weekly requirement is 1 hour. These are only the requirements for a grade. Practice beyond these amounts is strongly encouraged.
3. Practice sheets that are not signed by the parent will not be accepted except for extenuating circumstances.
4. Practice sheets are due each **Tuesday** for the previous week’s practice unless otherwise directed. Late practice sheets will only be accepted on Tuesday for half credit. After that, the grade will be zero for that week.
5. Practice time lost due to illness (absence from school) should be made up among the days in the week unless the length exceeds 3 days. In this case the time will be excused. Injuries which prohibit playing may also be cause for exemption.
6. If your instrument is in the repair shop, record 10 minutes on your sheet for each day it is in the shop, and write “repair” in the “music practiced” space.
7. The instrument practiced must be your band instrument. Percussionists may record up to 15 minutes of piano or keyboard practice.
8. Use a tuner and a metronome when practicing!
