## e-communication

Greetings my dear brothers and sisters,

What a wonderful weekend we had to start the final quarter of 2019! Wow, it is hard to believe that Christmas is just around the corner. We are expecting wonderful things this fall and we trust you are going with us on this spiritual growth adventure.

Over the years, I (Dan) have talked to different healthcare professionals about exercises to improve my physical condition, mostly related to stretching. After the healthcare professional has demonstrated the exercises, they usually end the conversation that contains a phrase something like "the exercises only work if you do them." The same is true on our spiritual journey. We only grow spiritually if we do spiritual exercises. We are in week two of our 65 day spiritual workout, we trust you are "working out" daily."

Hopefully, by now that you have "measured" where you are at on your spiritual journey by completing the Spiritual Journey Profile. We hope that you have taken the first steps of spiritual growth by doing the exercises or prayer, Bible reading, sharing your faith and giving. (Remember, the exercises only work if you do them.) We are so excited for what God has in store for you, for us. We trust that you are purposing in your life to take this workout, this journey with us.

Tonight at 7:00 we will be teaching what we believe about Jesus. It would be helpful in your growth.

Keep "working out", God is up to something great, have a wonderful rest of the week.

We love you all and we are praying for you today.

Pastor Dan and Theresa
