

Quotes from 2016...

I think the CIT Program is valuable because of its focus on becoming more Christ-like. I appreciate how, both when I was a CIT and when I was a CIT leader, the program challenged me to lead like Christ did and to love others like Jesus wants me to.

Romans 9:17

" For this purpose I have raised you up, that I might show my power in you, and that my name might be proclaimed through all the earth." CIT is an incredible program that equips young women to fulfill God's purpose for their lives. CIT has transformed my perspective, from spending intentional time with likeminded Christian girls, and digging into what the Bible has to say about the issues that face us in our daily lives. It is truly refreshing to the soul. All of the staff are incredibly helpful and encouraging and most importantly they push you to a deeper understanding of God. It was a priceless experience.
