CAMP  
— of - the —  
WOODS

In honor of Ralph S. Larsen, a dear friend of Camp and a Gospel Volunteers, Inc. board member, we are pleased to introduce the Larsen Lodge. Just steps from the beach, this premium, year-round accommodation features six quality suites.

The lower level provides a space with a warm atmosphere to relax and fellowship with friends and family in the library, lounge, great room, and many porch areas. Our staff is eager to serve! In addition to readily available Guest Services staff in the lobby, a shuttle to the Purdy Center Dining Room will be available for all Larsen Lodge guests.

We hope Larsen Lodge will be a central part of Camp that will be enjoyed by many. We are excited to be able to offer this new accommodation for Summer 2017 and for years to come.

If you have any questions regarding Larsen Lodge, please call us at (518) 548-4311 ext. 0.
