

**CAPITAL CITY BAPTIST ASSOCIATION
BROAD MEMBER INVOLVEMENT TEAM**

OBJECTIVES

In cooperation with our sister churches, local association, IBSA, and SBC partners, the Broad Member Involvement Team (BMI) seeks to:

1. Train and equip CCBA churches to fulfill the Great Commission through a balanced Acts 1:8 strategy.
2. Challenge people of all ages in our CCBA churches to actively participate in God's mission to make disciples for Christ by evangelizing the lost and strengthening the church.
3. Plan and provide evangelistic mission endeavors for CCBA churches to impact the world both locally and globally for Christ.

BMI ACTS 1:8 MISSION OPPORTUNITIES

JERUSALEM (Capital City Baptist Association)

Senior Adventures: These are activities that are designed to promote Christian love and fellowship and stimulate participation in mission activities that are less physically strenuous.

Builders for Eternity: These activities are designed to provide specific light construction projects for CCBA volunteers which open the door for evangelistic opportunities.

World Changers: This activity is an opportunity to partner with mission teams from across the country to impact the Kingdom of God in Springfield by meeting physical needs as a bridge to reach neighborhoods with the Gospel message and plant churches.

On Mission Golf League: This recreational activity provides men and women a time for physical exercise and fellowship with other believers and lost friends that culminates with an evangelistic thrust during a season ending awards dinner.

ESL Classes: These classes are designed to engage international students with different worldviews with the opportunity to learn English and to hear the Good News of Jesus Christ.

- Basketball Camp:** This sports camp is open to children in Kindergarten through Grade 8. Fundamental basketball skills, biblical character lessons and the Gospel message are shared throughout the week.
- Children's Ministry Day:** This is a cooperative partnership with IBSA to provide children in grades 1-6 with one day projects that will teach humble service and promote a desire for future missionary work.
- Missions Spectacular:** This is a cooperative partnership with IBSA for families, youth groups or other church groups to engage in one day projects that are missional and evangelistically oriented.
- Disaster Relief Ministries:** This ministry is an opportunity to meet needs that have arisen from a natural or man-made disaster or crisis and is also an opportunity to provide spiritual hope and comfort that only comes through a relationship with Jesus Christ.

JUDEA (Illinois)

This is an area under construction but could involve day trips to places such as the Christian Activity Center in East St. Louis or the Baptist Children's Home campus. It might also include weekend mission trips to assist churches such as Uptown Baptist Church in Chicago.

SAMARIA (North America)

This is another area under development. North America (U.S. and Canada) has many unreached areas with the Gospel. Opportunities here might be serving Native Americans or assisting church plants in heavily unreached locations such as the Pacific Northwest or New England.

TO THE ENDS OF THE EARTH

- Dominican Republic Missions:** The mission trips are designed to work with our Dominican partners in Santiago to engage people with the Gospel through door-to-door evangelism, medical clinics, sports camps, construction projects and church strengthening events.
- Africa:** This is a future mission endeavor that could involve a partnership with IMB personnel and/or indigenous pastors.
