When have you been part of a Communitas?

How would you describe that experience?

How have you been 'playing it safe' spiritually?

What would you be willing to risk, to give away, to lose to have the kind of Communitas God desires for you?

What would Capital City look like if we were more like the Church described in Acts?

How would you be different if you were part of a church like the one described in Acts?

How would your life be different if you devoted yourself to the four things the early Christians did?

How about if you started with one?
