Sermon: Identity
May 15, 2016

1. What was the first car that you ever owned?
2. What word or phrase do you want on your tombstone when you die?
3. Share a time when you have been let down in life by someone or something.
4. When do most people figure out their identity?
5. What does it mean to be successful to you?
6. Have you ever tried to find your identity through success?
7. Why would people try to find their identity in their possessions?
8. The sermon mentioned a quote from a movie, "let me leave you with this, you love the Red Sox, but have the Sox ever loved you back?" We can place our identity in many things, but have any of those things loved us back? The answer is probably no, so why do we place our identity in things that offer us very little in return?
9. We can find our identity in: success, possessions, family, friends, how others label us, etc. Which one, from the above list, has shaped your identity the most?
10. Read Philippians 3:7–10, Colossians 1:21–22 and Romans 8:14–16.
 - A. What stands out to you about these verses?
 - B. What do these verses say to you about our identity?
