## We Have a Group for You!

At Capital City Christian Church, we believe that as our church family continues to grow and develop, we want to provide the opportunity to make connections and friendships that will not only help us grow in Christ, but also help us grow in our relationships with one another as a church family. We have many kinds of groups so that everyone has the opportunity to experience real, life-changing community.

The quality of ministry that we all expect can only be found in a group. Corporate worship is very important, but it is only through a smaller group that we really connect. One of the best ways to build the relationships that we all need is through our ministries called “Adult Bible Fellowship” and “LIFE Groups”.

Different groups have different purposes. Some groups grow deeper and stronger relationships with one another while others do not. Some groups focus on Bible study and spiritual growth, while others focus on other things.

Adult Bible Fellowships are the perfect environment for learning more about God & His word, the Bible. LIFE Groups are the perfect setting for growing and learning together, as well as building relationships and friendships rooted in Christ. LIFE Groups are the perfect place to find “travel assistance” as we all walk in our journey as Christians.

In this directory, you will find all kinds of student groups, support and recovery groups, ministry groups, sports groups, exercise groups, seeker groups, groups for those who have never been in a small group, LIFE Groups, and more. We have a group for you!

Use this directory to find a group that might fit you and then give the leader a call. Leaders listed in this directory are expecting calls from people looking for a group. When you find a potential group, simply call to get more information or directions to the meeting place. (Some groups do close temporarily for specific reasons, however.) Here are a few questions to ask:

- Are you seeking new people for your group?
- Who is in the group? What are they like?
- What is a meeting like?
- What do you do as a group outside of meetings?
- What’s your plan for spiritual growth?

Please let us know if we can help you find your group of friends!

## **Nobody Stands Alone!**

*We are delighted to welcome you to Capital City Christian Church! I hope you will find Capital City Christian to be a place you can call "home" too.*

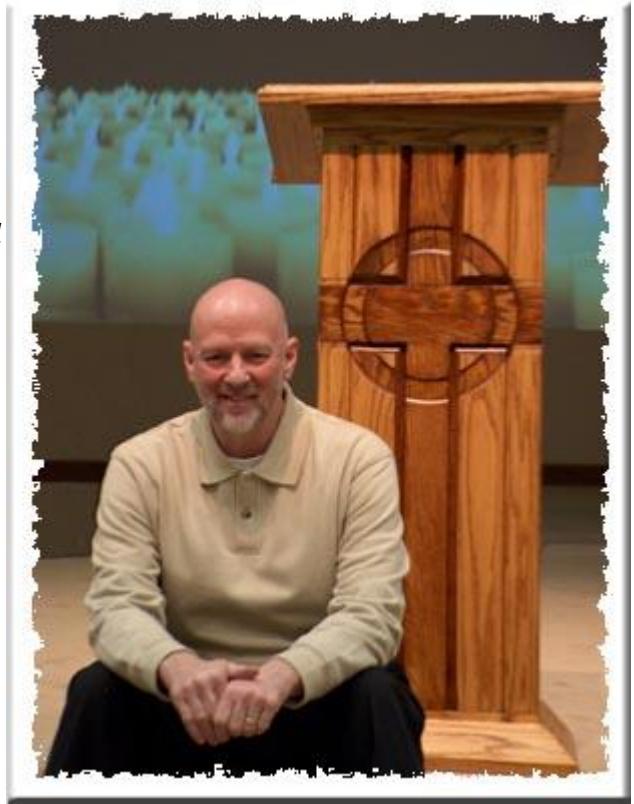

*I heard an old preacher say one time, "If the church ain't your momma, then God ain't your daddy." The English was poor, but the idea is powerful. When we become Christians and God makes us his children, he puts us into a spiritual family. God never intended for us to be orphans, or "floating believers," or "lone ranger Christians."*

*God doesn't place us in a church family simply because it builds character to do something tedious and boring, or because he likes making rules to control our lives. He plugs us into the church because healthy churches build healthy Christians. At its best the church reflects all that is noblest in a human family: caring and mutual respect; understanding each other's needs; and a sense of belonging in which we are accepted without pretense or make-believe.*

*Being part of a healthy church family: 1) helps us focus on God - bringing life back into perspective each week; 2) helps us face life's problems - since God never meant for us to face life alone; 3) helps build our faith - guiding us as we clarify God's values and develop character and conviction; 4) helps us find and develop and use our gifts for serving others - all of us have "talent on loan from God" to be used for God! and 5) helps us fulfill God's call to share our faith with those around us - the greatest gift we can give to someone we love.*

*If you do not have a church home, we invite you to be part of our family here at Capital City - a place where you can belong, and grow and serve. If not us, I hope you'll find another Christ-centered church and make it your "home," because God never intended for us to go it alone.*

*Dr Stephen Pattison  
Senior Minister  
Capital City Christian Church*

## Meeting God

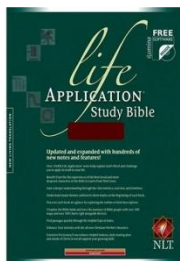

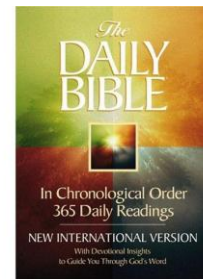

Getting to know God is the first step in a new Christian's life. For new Christians or graduates of a theological seminary, meeting God is essential to growing in a relationship with Jesus Christ. Jesus Himself studied the scriptures of His day so that He might be better able to know the will of His Father. It is a privilege to be allowed to pray, to converse with the Creator of the universe, to praise Him for His love and blessings, and to seek His involvement in our lives.

But how do we meet God? Where do we start? At Capital City Christian Church, we recommend that you first just read about Him – meet Him in His word, The Bible. We challenge you to commit yourself to daily Bible reading.

- Make an appointment with God every day and keep that appointment!
- Find a quiet place away from interruptions.
- Start with just 15 minutes a day. Don't make reading a marathon. Just read one small section each day – sometimes just a paragraph.
- Ask God to meet with you.

Some like to try to read the Bible through in a year. Some try to read just one chapter or one book each day. If you want a specific study guide contact our Directions Ministry.

If you are making your first appointment with God, we suggest that you start with The Daily Bible. This Bible puts God's story in chronological order. At the beginning of each section, there is a brief introduction and all through the Bible there are helpful notes and comments. We recommend that you read The New Testament section first and then read Genesis and Exodus.

If you want a more traditional Bible, we recommend that you start with the New Living Translation (NLT). The Life Application Study Bible NLT version is a good choice. The NLT is very easy to read. The sentence structure and vocabulary are specifically designed to help readers grasp the concepts and teachings of the Bible. Since the Life Application Study Bible is arranged by the books of the Bible, we recommend that you start with the book of John. After John, read the book of Acts. Acts contains the account of how the Church started. (The "Reader's Digest" version of God's story is found in Acts chapter 7.) Next, read Genesis and Exodus.

Both the The Daily Bible and the Life Application Bible are available in our library. And, our Directions Ministry will be glad to help you get started.

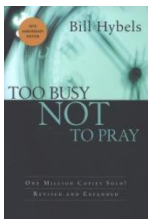

## Time With God

There is nothing more important to a Christian's spiritual health than prayer. But how does someone speak to God? He is the creator and the sustainer of life. But, in many ways God is a mystery and people often think that He is unapproachable.

Like reading about God, speaking to God is easy. Just talk to Him.

- Make an appointment with God every day and keep that appointment!
- Find a quiet place away from interruptions.
- Start with just 5 minutes a day. Don't make praying a marathon. Just a sentence may be all that you can say at first.

Some people talk to God while seated in a special chair. Some like to kneel. Some have a room or special place reserved just for conversations with God. Find what works best for you, but keep your appointment with Him.

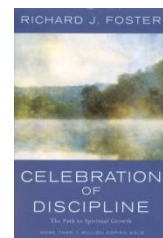

One book that is helpful is Bill Hybels book Too Busy Not to Pray. Hybel's book gives two explanations for the importance of prayer: (1) It is through prayer that we become surrounded by God's presence; (2) God can't release His power in our lives when we put our hands in our pockets and say, "I can handle it on my own". The book is easy to read (only 180 pages) and focuses on four major thoughts:

- God calls us into His presence
- God invites us to talk with Him
- God breaks down the barriers between us
- God speaks to our hearts

Richard Foster's book Celebration of Discipline is a very helpful handbook on the Christian life. Foster observes, "In prayer, real prayer, we begin to think God's thoughts after Him: to desire the things He desires, to love the things He loves, to will the things He wills." "Prayer catapults us onto the frontier of the spiritual life."

Talk to Him today.

The books Too Busy Not to Pray and Celebration of Discipline are both in our library.

## Vision for Discipleship

Capital City Christian Church provides opportunities for personal growth, knowledge of God's word, and deeper intimacy with God through Worship, Adult Bible Fellowship classes, Special Sessions, and LIFE Groups. Everyone travels at their own pace on their journey with God. Everyone has a different level of commitment to discipleship. Opportunities are provided that allow exposure and invitation to activities that allow for various levels of commitment. The different opportunities shown below have been assigned a level based on the time commitment that it will take to be involved in that activity not based on the importance of that activity.

### Worship – Level # 1

Participation in worship can allow everyone to come and experience God through worship, prayer, and the presentation of God's word through music, drama, and preaching.

### Adult Bible Fellowship – Level # 2

Participation in an ABF class builds knowledge and life skills through study and interaction with other people who are also traveling on a journey with God. While being encouraged to have further interaction and involvement in the class, participation is at the comfort level of the traveler. Study topics are provided for differing learning styles, life stage, and interest.

### Special Sessions – Level # 3

Over time, everyone desires a higher level of commitment. Special sessions are designed to bring everyone into a deeper level of intimacy with God and each other.

### LIFE Groups – Level # 4

A LIFE Group is the best place to build a deeper, intimate relationship with others and with God. The focus of LIFE Groups will be to **A**cquire knowledge, **B**uild relationships, **C**onnect with God, and **D**evelop a lifestyle of Faith.

Each person is unique, but the ultimate need of meeting and knowing God is the same. Our desire at Capital City Christian is to bring people to a growing, personal relationship with Jesus Christ.

## LIFE GROUPS

**LIFE Groups** provide a support system of traveling companions to share life with on your spiritual journey. Groups consist of about 10 - 20 people who come together about weekly to grow spiritually, develop healthy relationships, and experience real Christian community. But most of all, LIFE Groups are places where you can do life together with a group of friends! LIFE Groups are where you can share life experiences and support one another in your day-to-day lives.

LIFE Groups are for anyone, in any place, at any time and they can be of any shape or any flavor. They are built around where people live, where they work, a common affinity (i.e. men, women, singles, Primetimers) or a particular interest or need, at the most convenient time for all involved.

### How to Get Involved

#### **Consider Starting a New Group**

Perhaps the best way to get involved is to start a new LIFE Group in your neighborhood or area of town. Leaders are ordinary Christians who are members of Capital City Christian, possess a sincere love for Jesus, have a genuine love for others, and live a life patterned after Scripture. Does this sound like you? If so contact Jim McKay at 502.905.2293 or [jim@capitalcitychristian.org](mailto:jim@capitalcitychristian.org)

#### **Find an Existing Group**

This section is designed to help you find a LIFE Group near you or by a certain life-stage (Primetimers, men, women, and singles) or interest. We've discovered that real community grows best when participants have consistent contact both planned and spontaneous. If you do not find a LIFE Group that fits you, then consider starting a group (see above).

### Types of Groups

As you look through this LIFE Groups section, you will notice we have several types of groups, depending on who is in the group, when they meet, and what they study. Under the description of the group, you may see these designations:

- **Family Groups** meet together and all members of the family, including children, are welcome to attend and participate, at least in parts of the meeting.
- **Message Groups** discuss the topic of the sermon message from the previous weekend's service. They dig deeper into the Scripture with an eye for applying it to real life.
- **Study Groups** study topical or Bible curricula. The group chooses study guides that will help them grow spiritually together.
