Talk about one of the most profitable walks or journeys that you have ever taken. Explain why it was so beneficial to you.

Read Luke 24:13-32

Summarize the passage:

Describe what it might have been like on this first Easter Sunday.

In what ways have things changed since that day?

What type of heart do believers have? **(vs. 32)**

How should that life experience affect us? **(Jeremiah 20:9)**

God does want our hearts and to set our hearts on fire! So, why do we often tend to go through the motions with no obvious plan or purpose? How would you encourage someone whose heart has grown cold to “re-source” or “re-ignite” with Jesus?
