PSALM 1

Tell about something that you have lost or simply don't have any more that you wish you still had.

If someone could see in your personal "treasure/keepsake box", what would we find in there that you'd have a hard time not hanging on to?

Read Hebrews 12:1-3 and Philippians 3: 7-16

Summarize each passage.

What stands out the most in these verses to you?

Are there things that you see as difficult to accomplish? (explain)

What kind of things "tangle us up", whether they are sins or simply stuff?

Are there particular things that you clutch on to that are hard to "press on" without?

Finish your time by sharing the benefits of living surrendered to the Lord.

Pray
