

Restoring the Creator-Creature Relation: Chapter 8

1. What is the coolest thing you have ever created?
2. Define the relationship between a creator and what he/she creates.
3. Tozer uses the phrase "fixed center". He says everything else in life needs to be measured against that fixed center. He said, "As a sailor locates his position on the sea by looking at the sun, we need to get our moral bearings by looking at God. We must begin with God." Why should God be our fixed center?
4. What are things that disrupt the creator, creation relation between God and us?
5. Tozer argues the remedy (to question #4) is the true exaltation and honoring of God. **Read Revelation 4:11:** What do we learn about the creator from this verse? What do we learn about the creation?
6. How do you personally exalt God? Share ideas on how we can exalt God more.
7. Tozer says, "The moment we make up our minds that we are going on with this determination to exalt God over all, we step out of the world's parade." Do you agree with this? Is this determination in your life?
8. What results from exalting and honoring God? (1 Samuel 2:30, John 12:26)
