**WHY WE EXIST**

- Matthew 5:14

"You are the light of the world. A city set on a hill cannot be hidden."

Our mission is to be a city set on a hill, connecting people to Jesus and to others. Our vision is to make disciples of Jesus who are committed to obeying all that Jesus commanded.

## WELCOME

We are so glad you're here. We hope you find Capital City Christian to be a safe place to worship God, ask questions, find answers, and connect with others. We invite you to stop by the Welcome Center in the lobby after service, where someone will be available to answer your questions.

## FIRST-TIME VISITOR

We would love to welcome you personally. Please let us know you were here by texting "GUEST" to 573-343-4035 or fill out the connection card in your bulletin. Return it to us in the offering tray or at the Welcome Center where we have a free gift waiting for you.

## KIDS

If you have a child 0-5th grade, we have environments designed especially for them during our services. Visit our Welcome Center if you would like to learn more about the children's programs.

## COMMUNION

Communion is practiced during each weekend service. The Scripture that teaches us about this important church ordinance is found in 1 Corinthians 11:17-34. If you are visiting with us and have a relationship with Jesus, we encourage you to join us in communion. If you have questions about communion, any of our pastors would love to help. **What to expect:** During service a tray of crackers and juice cups will be passed down your row. If you choose to participate, you can eat the cracker, drink the juice and return the juice cup to the tray before passing it on. We provide gluten-free crackers marked "GF" in each tray.

## SERMON NOTES ON YOUVERSION - BIBLE APP

Our sermon notes are available through the YouVersion Bible app. You can download this app for free at the app store. Once in the app, select the tab that says "Events," and "Capital City Christian Church" will appear. You can take personal notes in addition to the outline on the app, and then save or e-mail those notes to yourself for later use.
