A MESSAGE FROM OUR PASTORS

In a book I'm reading (Dave) on the mission of the church, the authors describe Christian partnership as "an intentional demonstration of God's missionary nature in a voluntary collaboration where the co-participants share in a common journey toward the accomplishment of a predetermined purpose." This definition adequately describes C4 Church. All of us have come together, realizing that we can do more together than we can separately; to intentionally demonstrate God's heartbeat for building a counter-cultural community that continually looks outward and inward at the same time. Mission is inherently relational. We have chosen to partner together at C4 to minister to each other and to the world around us - we have a vision that is both global and local.

This past year we have seen God bless us in many ways. As you read through this report we would invite you to pause at each section and think about what God has done to grow his kingdom through our partnership. We also invite you to give thanks for the lives touched and ask Jesus for even more impact in the coming year.

The Finance section containing the annual budget will need to be approved at the upcoming annual meeting. We feel that this is a budget that acknowledges the reality of this past year, yet has enough vision to challenge us to greater generosity in the coming year.

Finally we'd like to thank the volunteers, ministry staff, and administrative staff who make C4 the great church that it is today. We are truly co-participants in the journey towards the accomplishment of the vision that God has given us. **Thanks for all your service and sacrifice. Thanks for your generosity. Thanks for all that you do.**

C4 ELDERS BOARD

PETER BURNS
BOARD CHAIRMAN

This past year, C4 Church learned and experienced together the joy that God has planned for all of us. What a gift to us as a church that God moved among us through a year of joy. Many discovered their spiritual gifts and are using them in support of C4's vision and mission. Joy comes from knowing God, joy comes from serving God, and joy will come fully when Jesus comes back and makes all things right! Joy is given. Joy is chosen. Joy is a gift. Joy is a decision grounded in Christ's work. As theologian Henri Nouwen wrote, "Joy does not simply happen to us. We have to choose joy and keep choosing it every day".

God moved amongst us in many great ways as we followed our mission to glorify Him by enabling people of all ages to become fully devoted followers of Jesus Christ. We also believe God has called us to become a regional church of 10,000 meeting the emotional, physical and spiritual needs of people in Jesus' name. In this report you saw some examples of how God helped us grow this past year.

And now, we go forward to a new ministry year and are excited to see God continue moving among us. Ministry teams have already begun planning for the year ahead.

Please continue to pray and be asking God to prepare your heart for the role He has for you as we move forward. We have all been blessed by God and our prayer is that you search and seek His guidance for how you can serve him in this vision.

"The body is a unit, though it is made up of many parts; and though all its parts are many, they form one body. So it is with Christ. For we were all baptized by one Spirit into one body - whether Jews or Greeks, slave or free and we were all given the one Spirit to drink." 1 Corinthians 12:12-13.

Yours in Christ,

Peter Burns
Chairman, C4 Elders Board
