Del Rio Van Rentals and Mexican Vehicle Insurance

Teams are responsible for providing their own transportation to/from Del Rio as well as in México. The Mexican government has issued that busses (including "people movers") and RV's/motor homes will not be allowed to enter México. They have and will continue to deny entry to these vehicles. Make arrangements to be sure your team has proper transportation to enter into México. We ask that teams use 15 passenger vans and as few vehicles as possible. If you are planning to use a charter bus, you will need to contact the company you are using to find out if they have authorization to cross the Mexican border. If you do bring a vehicle that is denied entrance, you will be responsible for having a backup plan to rent vans.

Van Rentals

Several rental agencies offer a variety of rental vehicles at varying rates. We have a partnership with Enterprise, and strongly recommend contacting them first. If your team is flying into Del Rio or San Antonio, or if you are unable to take your vehicles into México, we recommend you call for rentals as soon as possible as quantities are limited. Be sure to double check with the rental agency to ensure that your price includes Mexican Vehicle Insurance. It never hurts to mention that you will be working with Casas por Cristo.

If your group is flying, please remember to make sure that your arrival times fall within the hours of operation for the van rental agencies. You can arrange shuttle information to/from the airport as you are making reservations.

Mexican Vehicle Insurance

It is the law that you have Mexican auto insurance in México. If you are going to drive church/personal vehicles across the border, be sure that you are covered. We recommend that you buy additional insurance (above and beyond your local policy) if you have any doubt. If you have an accident and cannot prove coverage, your vehicle will be impounded. Retrieving impounded vehicles can be difficult, expensive, and time consuming. Tourist insurance is inexpensive and worthwhile. We recommend contacting **Sanborn's Mexican Auto Insurance** by calling (830) 775-3252.
