First (Scots) has a great way to get away with the family and Montreat 2011 will be a blast for the whole family. We will be staying in the Reynolds Lodge again with the well-used rocking chairs and fireplace. The Presbyterian Heritage Center will again be providing our program which will be related to their exhibit on Presbyterian Chaplains of the Civil War, both North and South. The retreat committee is working on our children’s program, but just ask those who went last year if they had fun! If you haven’t been to Montreat this is a great opportunity to get into the mountains with the family and enjoy a weekend in Christian Fellowship. Interested members should contact Mark Johnson for more information and to reserve a spot at: markoana@knology.net.

The third mission team we have sent to Peru in as many years returned safely in mid June from a week of service on the banks of the Amazon River. Working with our sister congregation at Nuevo Valentin, the group took part in a Bible school, helped build a church bathroom, held a medical clinic, and generally reached out to the community.

**Brian Graves** – While our mission team helped to fill some material needs in an impoverished community, I was struck by all that is rich in the comunidad of Nuevo Valentin, particularly its strong interpersonal bonds, shared faith in God, and ability to do a lot with limited resources. I was also struck by some ways in which our own more individualistic, materialistic, and technological society seems lacking by comparison. It occurred to me that mission work is not a one-way street; rather, it is a cultural exchange in which different communities can share their wonderful gifts and learn from one another.

**Lloyd Pearson** – Getting to better know the other participants in both work and play, in shared devotion time, and in individual moments made for an extremely compatible group and a meaningful experience.

**Danny Massie** – I never cease to be amazed at how mission trips to third world sites and disaster areas have a way of restoring vision and values for those who participate. These trips not only provide critical and needed assistance to people in need, but they often transform the team members and enable us better to distinguish between wants and needs in our own lives. They build a bond of trust and love and friendship among the people serving and with the people served. I would hope that each church member could have such an experience!

**LOCAL MISSIONS - REFLECTING THE LIGHT OF CHRIST IN THE COMMUNITY**

First Scots is involved in our local community through financial support and hands-on volunteer support for some high impact non-profit organizations in the Charleston metro area. One of the organizations we support is Meals on Wheels.

Meals on Wheels delivers each weekday thirty three hot meals, prepared by Roper Hospital, that are delivered throughout downtown to the elderly who are unable to prepare their own meals. The meals are delivered at lunchtime Monday through Friday, even on holidays!

In addition to the hot meals, the recipients are given a jar of peanut butter and a jar of jelly once a month. Each week a fresh loaf of bread is given to vouch for any other meals they may need.

There are forty eight dedicated volunteers who deliver meals year round, plus eighteen substitutes who fill in any gaps that may appear. This mission would not be possible without the effort Rebecca Patte puts forth. She is responsible for interviewing the many applicants and deciding which ones will receive meals.

My wife Joanne and I organize the scheduling to make sure both routes are covered each day. This mission is hands on doing God’s work- it’s very rewarding!

Each route has around 16 recipients, and takes around an hour to an hour and a half to deliver.

If you are looking to try we will be happy to show you the routes! We greatly appreciate volunteers. If you have any questions about Meals on Wheels please call.

**What is it?** Child Sexual Abuse Prevention Program

**Why?** It is now required by Christian Education committee for all volunteers who work with our children (birth-18 years of age)

PLEDGE TO DO YOUR PART TO END SEXUAL ABUSE BECAUSE …

- Every child has a right to grow up with their sexual boundaries intact.
- Preventing Child Sexual abuse betters our communities by breaking the cycle of other societal and health issues, like teen pregnancy, violent crime, drug and alcohol abuse, obesity, heart disease and suicide - all far more likely to be experienced by victims of sexual abuse.
- No one is immune to Child Sexual Abuse. It can affect children of every gender, age, race, ethnicity, background, socioeconomic status and family structure.
- Learning the facts about Child Sexual Abuse helps prevent it.
- Factual, honest conversations about Child Sexual Abuse helps prevent it.
- Getting involved helps prevent it.

EVERYONE IS WELCOME!

NURSERY WILL BE PROVIDED.

Please plan to bring dinner/snack for your child (ren).
