Redwoods Minister to Northside

Early Childhood Center

Centenary Life Group, Redwoods, enjoyed a morning with children at Northside Early Childhood Center, on February 3rd. It was a delightful experience reading Dr. Seuss stories to children whose faces were beaming with joy. It was obvious from their broad smiles that the Seuss books were real crowd pleasers and the adults reading them had won their hearts.

Redwoods brought personal monetary donations or needed items of new socks, coats, hats or gloves for the Northside students. The group also presented a \$100 check from Redwoods to the childhood development center.

Northside Early Childhood Center is one of several ministries the Redwoods have adopted. If you would like to be a part of Redwoods join us 10AM, Monday, April 6, in Centenary's Fellowship Hall for a devotional and begin work with one of their service projects in Centenary's children's area or the kitchen.
