**Convergence School of Supernatural Ministry
1st Year Application**

This application is to understand where you are in life prior to your interest in the **Convergence School of Supernatural Ministry**. This is not necessarily a pass or fail application, but we want to know how ready you are to make a commitment like this in your life. CSSM is not a rehab or about pouring over previous life failures and wounds, but it is about making revivalists that will sustain a culture of revival for generations to come and it will take commitment to finish. This application will aid us in better advising you as you progress with honor and focus over the next year.
