Student's Name

Date: _____

I, _____ (parent/guardian name), for the student indication above, apply to CenterPoint Church to participate in the activity described and indicated event („Activity”). I acknowledge and agree to, and represent, the following for myself and the student, in consideration of the opportunity to be provided by the Church (contingent upon its agreement to my child's and/or my participation).

Acknowledgment of Risks. I acknowledge that participating in the Activity involves risks of serious damage and harm to persons and property, and even death, and I assume those risks, including risk arising from acts or failures to act of the Church.

Information Relied on by Church. I am the parent or legal guardian for the student for whom this document is signed. The student is in good health and sound mind. If necessary, I have discussed or will discuss with my physician the student's participation in the Activity, and the student has received or will receive any vaccination or other recommended prerequisite medical treatment my physician deems necessary. The student will participate in the Activity only if I have received my physician's approval, if I deem it necessary, and believe that the student is able to participate without harm; I acknowledge that the Church will not assess or approve the student's fitness for participation. I am under no force or duress of any kind to compel the student's participation in the Activity or my signing of this document.

Release. THIS DOCUMENT IS INTENDED TO ABSOLVE THE CHURCH OF ANY LIABILITY TO ME OR TO THE STUDENT THAT IS RELATED TO THE STUDENT'S PARTICIPATION IN THE ACTIVITY. Accordingly, I hereby release the Church from, waive, and will never sue the Church for, any damage (whether damage to or loss of property, finances, life, body, mind, or emotions), cost, suit, demand, claim, or other liability, that arises or is alleged to arise or in connection with the student's participation in the Activity. Such liability includes any liability that arises or is alleged to arise from the Church's negligence (but not its willful and wanton misconduct). Such liability also includes any liability that arises or is alleged to arise from claims for contribution by another that the student or I have sued or from whom the student or I have received compensation.

Medical Permission. I gave my permission for the student to be treated for illness or injury sustained while participating in the Activity, including by the administration of emergency anesthesia or surgery; and authorize the adult leaders of the Activity to act on my behalf in ordering such treatment.
