

Generosity

*Making someone's day
by giving something away*

BOTTOM LINE: Because God gave, I can give.

Read | Timothy 6:18

DAY
1

Give It Away

On a piece of paper, write "Thank You, God." Look through your room for toys, clothes, and other things you have. Choose items you no longer use or clothes that no longer fit. Write a list or draw a picture of these items on your "Thank You" paper. After you finish with your picture, have a grown-up write this week's verse at the bottom of the paper. Give these items so someone else can have the benefit of using them.

ASK God to help you remember why we should give to others.

DAY
2

Giving Clock

Grab a piece of paper and draw a picture of a circular clock. Divide the clock into four sections by drawing a line from top to bottom and left to right. Then, think of some people you could give your time to this week. Draw a picture of them or write their names in the spaces you created. Hang up your picture to use as a reminder to give your time and help these people in a special way this week.

THANK God for the people you want to serve this week.

Prayer: God, thank you for all that you give me. Help me to give my time to love and serve _____.
Amen.

DAY
3

Compliment Competition

Challenge your family to a compliment competition this week. Grab a jar and some strips of paper. Tell your parents they can be the referee and when they see a person who gives a compliment, they write the compliment down and who said it on the strips of paper. Keep track of the paper by putting it in the compliment jar. At the end of the week, whoever gave the most compliments, wins! Create other prizes for "most creative" and "most meaningful."

KNOW you are giving one another a great gift!

DAY
4

Generosity Craft

Think about the gifts and abilities God has given to you. Now think of how you can use them to give to others. Are you an artist? Create a piece of art to encourage someone. Can you cook? Make something yummy to give to someone. Whatever your gift is, use it to make someone else's life better.

LOOK for ways to use your gifts every day.
