

Generosity

*Making someone's day
by giving something away*

BOTTOM LINE: God gave us Jesus.

Read Luke 2:11

DAY
1

Happy Birthday, Jesus!

Throw a birthday party for Jesus. Have cake, ice cream, and party favors. Invite your friends and family. Share what Christmas means to you with your guests. Invite them to do the same.

KNOW you are celebrating God's gift to you!

DAY
2

Create Your Own Christmas Story Book

In your words, write the story of God giving Jesus to the world. If you need to, have a grown-up help you by reading Luke 2:1-21 to you. In the story, make sure you share what Christmas means to you. Draw pictures for each page. Staple your book together. Write this week's verse on the back.

LOOK at your book and share it with your family at Christmas.

DAY
3

Thankful Walk

Go on a walk with a friend or family member. Do not talk about things you want for Christmas. Instead, talk about the things you already have. When you think an item you have, say a prayer of thanks to God for giving it to you. End your walk by saying a prayer of thanksgiving for the ultimate gift God gave us, His son, Jesus.

Prayer: God, thank you so much for giving me _____. You are good, and I am grateful for your gifts.

DAY
4

What Christmas Means to Me

With the help of a grown-up, go on the internet. Look up the different ways people celebrate Christmas. Find pictures you like and print them out. Glue them on a large sheet of paper or poster board. Finally, draw your own picture of God giving us Jesus. Hang your poster board on your door and share with your family at Christmas.

ASK everyone what Christmas means to them.
