Pray, "God please open my eyes to the ways I can do good for my family. Please give me the strength to do good things. Thank you for the gifts of your spirit. Amen." **ASK** God all week long to help you do these good things for your family.

DAY 2

Who Helps Me Do Good?

Find a piece of paper and write down some things you are good at that other people are not as good at. Maybe it is being kind to everyone, homework, or speaking a new language. Ask a grown-up what they think you are really good at doing. Once you think through this, answer the question: Who gave you that thing you are good at? **KNOW** that God created you to do good things. Celebrate the gifts God gave you by singing a praise and worship song.

DAY 4

Ephesians Chant

Make a chant out of Ephesians 2:10: "We are God's creation. He created us to belong to Christ Jesus. Now we can do good works. Long ago God prepared these works for us to do."

Say your chant over and over and make up moves to go with the words. After you have practiced your chant, show it to your friends or family. **THINK** about how God helps you do good works.

DAY 3

Hidden Goodness

Today, you will practice doing good with project: Hidden Goodness. On sticky notes or scraps of paper, write down, or draw, nice things you think about each member of your family. When you are done, hide each note somewhere they will find it. **LOOK** for ways to surprise the people in your family by doing good and do it!
