**OPERATION
CHRISTMAS
CHILD**

PRAY. GIVE. GET INVOLVED.

Operation Christmas Child is the largest children's Christmas project in the world, run by the Christian charity *Samaritan's Purse*. They have been sending gift-filled shoeboxes to disadvantaged children around the world since 1990, bringing joy into the lives of over 80 million children.

Giving a shoebox gift is really quite simple. You wrap and pack it, we check and send it, and our in-country partners deliver it. It starts in your hands and ends up in theirs.

Operation Christmas Child
brings needed supplies and salvation
to children around the world.

Children's Central

It's November and Children's Central is very THANKFUL! This month the children will not only be learning a new life lesson every week, but will also be showing their thanks for the people in their lives through special crafts throughout the month.

November 6th—*Choosing Media Wisely: Mary and Martha Make Choices* (Luke 10:38-42). The children will make their own Media Guide which they can use to aid in making wise choices.

November 13th—*Feeling Lonely: Elijah is Alone and Lonely* (1 Kings 19:1-18). This week children will make their very own feelings chart.

November 20th—*Treating All People Fairly* (2 Samuel 4:4: 9:1-13). The children will play a game based on sharing.

November 27th— *Showing Good Manners: Jesus Heals 10 Lepers* (Luke 17:11-19). This week the children will learn about good and bad manners from around the world.

PRESCHOOL MINISTRY

Do you know how many babies were born into our community last year?

How many do you think were born into non-Christian families?

Do you know what we as a church are doing to reach these families?

Let me share with you a way we can reach this great mission field, if we are willing to work together.

It is called "Cradle Roll Ministry" and it can be used as an effective evangelistic tool for the salvation of mothers, fathers or whole families. It is also a means of bringing back into fellowship of the church young couples who may have been raised in Christian homes, but who have lost interest in spiritual things.

The birth of a baby places new demands on a couple or family. Our church can be there to meet their need through an effective "Cradle Roll outreach.

Here are some steps to follow:

Obtain names and addresses of families you know in your neighborhood and give them to the Preschool Ministry team.

We will then set up a time to visit each family and bring along a special gift.

Once the parents and baby visit our church, we will make a follow-up visit through the adult Sunday school.

Sounds simple? It is, so where are those names? We're waiting...

News from the EBBA

Disaster Readiness Conference Saturday, November 12 10 AM – 2 PM

Proverbs 21:20 says, *"In the house of the wise are stores of choice food and oil, but a foolish man devours all he has."* This verse highlights the concept of being prepared and as Christ's Church, we must be ready for the inevitable.

In the face of a major emergency, whether it be an earthquake, a significant weather incident, terrorist issue, pipe line explosion, or some kind of biological problem, what should be the role of your church within the community you minister? What can your church do to help those who are seeking support, guidance, and help in the event of a catastrophe?

Regardless of the scare story of the week, the Lord calls us to be faithful stewards of the things He provides for us in good times and bad. The East Bay Baptist Association is hosting a training event that is designed to help the church minister to their communities before, during, and after a disaster. Consider attending this event to receive valuable information on personal preparedness, creating a plan to mobilize your church, and networking with community professionals who are committed to making sure those in our area are ready for the unexpected.
