

# Cacti Identification

<b>Participants:</b>	Team of 6 to 10 Pathfinders
<b>Equipment:</b>	Provided by Conference at Event. See attached.
<b>Objective:</b>	Identify from pictures 15 species of Cacti.
<b>Time Allotment:</b>	3 minutes
<b>Directions:</b>	Team will line up at start line and on the start command, each pathfinder in turn will run 15 feet to the Cacti identification board. Next to the board will be a container holding 15 names of Cacti species. The pathfinder will draw out a name and place it on the proper picture then return to tag the next pathfinder. This will continue until all pictures have been labeled. As soon as the team has completed the task the coordinator will check for errors and give a score.

## Scoring:

<b>1<sup>st</sup> place</b>	15 correct matches
<b>2<sup>nd</sup> place</b>	12 – 14 correct matches
<b>3<sup>rd</sup> place</b>	11 and under or not completed in 3 minutes

---

**Note:** This is one of the steps necessary to earn the Cacti Honor. The honor requires that the pathfinder correctly identify 15 species of Cacti.
