## Welcome

The **West County Fellowship** of Central Presbyterian exists to see people in West County enjoy a life changing relationship with God and his people. It is our hope to see God develop a committed community of believers and seekers, worshipping God, living life together and reaching out to friends and neighbors.

Whether you are long time attendees of **WCF** or this is your first time to a worship service of any kind, we welcome you this morning. It is our hope that you will experience genuine community and the profound mercy of God here this morning.

If you are new to **WCF**, we would love to get to know you. Please take a moment to fill out the 'connection' card on this program, tear it off and drop it in our offering basket.

Again, welcome to WCF!
