FOUNDATIONAL TRUTHS FOR CHRISTIAN LIVING

This week's reading examines the practical effects that the Bible can produce in those who receive it. "God's Word brings out into the open the inward nature and character of those who hear it and distinguishes sharply between the different types of hearers."

This week's assignment - Chapter 5

One of the optional discussion groups during our Wednesday night fellowship will cover this topic.

THIS WEEK'S PRAYER EMPHASIS

See, the former things have taken place, and new things I declare; before they spring into being I announce them to you." Isaiah 42:9

As we begin this year let us seek God for the things He has for us for this coming year.
