Mission Highlight: Panama City Rescue Mission

The Rescue Mission is one of the local ministries that the Chapel is pleased to support. Their mission is to provide an environment where the compassion and love of Jesus Christ can empower people to overcome and prevent life's adversities. Their goal is to provide a "continuum of care" for homeless and needy individuals that begins with shelter, food, and clothing, and then continues with a personal development program of rehabilitation, vocational training, job placement and education. And they then provide ongoing living in a recovery-oriented environment through transitional housing. Chapel attenders visit the Rescue Mission the last Monday of each month where we cook and serve dinner to their guests. If you would like to help serve, come to the Chapel by 3:30 tomorrow when the group will be departing together. Please visit the mission table for more information about their programs.
