Ministry Opportunity **ESL TUTOR**

Help refugees improve their English! ESL (English Second Language) Tutors must be able to commit to at least one session per week **(1-3 hours a week) for a minimum of three months.** Tutoring takes place in the client's home or another agreed-upon location.

Tutors must have an excellent command of the English language. Though experience is helpful, it is not required. World Relief offers ESL training and optional curriculum, as well as a limited number of additional resources. Patience and creativity go a long way in this vital, independent role.
