

**SATURDAY,  
SEPTEMBER 26<sup>TH</sup>**

# LATTA PLANTATION NATURE PRESERVE

Please join Charlotte Lab School families for a fun family play date at Latta Plantation Nature Preserve. We invite your family to come by anytime between 12pm and 4pm on Saturday, September 26th.

When you enter through the Latta Plantation gate, make a right into the second parking lot (behind the Nature Center) to receive your Charlotte Lab School sticker as well as to stop by the Nature Center to pick up a trail map. Families can enjoy hiking trails that start at the Nature Center or continue down the road where visitors can explore additional hiking trails as well as the Carolina Raptor Center and Historic Latta Plantation.

Nature trails and the Nature Center are free, and with your Charlotte Lab School sticker, there are discount admission prices for the Carolina Raptor Center and Historic Latta Plantation. If you would like to pack a lunch or snacks, there are picnic tables available throughout the grounds.

## Latta Plantation Nature Preserve

6211 Sample Rd  
Huntersville, NC
