# CHINA TRADE INSTITUTE

## Soft Landing Student Package

---

*China Trade Institute is associated with an elite array of Chinese university students ("associates") who are intrinsic to its success. The CTI network of associates provide a hands-on, culturally savvy, "boots on the ground" resource that is available to provide support for international students entering the U.S. for the first time.*

*The CTI network of associates, and full-time CTI personnel, will be available to provide sophisticated direction through the sometimes difficult navigation that must take place to ensure academic success in the U.S.*

*CTI representatives are available to provide additional information about the Soft Landing package. Call or email below to contact CTI now.*
