- Sunshine Mountain Preschool has given children the opportunity to explore and develop their academic, physical, emotional and social skills since 1981.
 - Our unique classroom encourages self-motivation as children freely choose their own materials and activities.
 - Within our classroom community, we assist in developing and strengthening positive social interactions.
 - A Christian atmosphere encourages children to practice kindness and respect for others and thankfulness for the world around them.
 - State certified teachers work with individual children, giving guidance where needed.
