A MONTH OF STEWARDSHIP

SPECIAL POINTS OF INTEREST:

- EACH Campaign
- Summer Camp Fundraisers
- Servant Opportunities

Each Campaign

It's that time of year again. We are kicking off another 40 days of service and evangelism. The Each Campaign was launched last year as an unprecedented effort to baptize Metro Detroit in the Gospel. The push started on Easter and continues for 40 days. During that time we are challenging our group to be deliberate and intentional about serving others and spreading the gospel. There are many united events throughout Metro Detroit during that 40 days.

220 will be participating in some of the EACH projects as a group. We will be participating in the Gratiot Clean-up on May 5 from 8a-12p. We will be dividing and conquering, cleaning up both sides of Gratiot from 8mile to 14mile.

We will meet at the Eastpointe-Roseville Chamber of Commerce, 24840 Gratiot Ave, at 8am and disperse from there.

2wordstory is a vehicle helping to drive the EACH Campaign. There are a lot of believers that have trouble with evangelism. The 2wordstory idea was developed to help as a conversation starter. The idea is that everyone has a story., "I didn't

have this before Christ, and now I do" So maybe your testimony is about purpose. Your 2wordstory would be "Purpose? Purpose." or maybe it's Freedom? Freedom. if

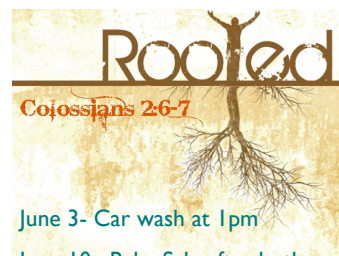

Christ has given you freedom in your life. During the 40 days there will be billboards, commercials and thousands of believers sporting 2wordstory swag. If you would like to purchase anything 2wordstory you can find it with all the rest of the EACH info at eachtoday.com

No Teen Left Behind

In the month of June we will be Kicking off our "No Teen Left Behind" campaign to raise money for our students to get to summer camp. I know that is two months away, however we will be planning and rolling out our plans and sign ups for these fundraisers.

We will be taking things back to the old school with traditional fundraisers. Each Sunday in June we will be facilitating a different fundraiser. Students will earn money based on the amount of time they put in and are encouraged to participate in as many of the fundraisers as possible.

- June 3- Car wash at 1pm
- June 10- Bake Sale after both services
- June 17- Bottle Drive before both services
- June 24- Neighborhood Bottle drive

We will be kicking off our servant groups this month. Part of our vision for discipleship includes teaching students how to serve. We have provided many areas for our teens to get involved. There are other areas in the church where they can serve outside of what we are offering through 220. Each ministry group will be coordinated by a youth leader and all groups are overseen by myself.

GOOD STEWARDSHIP

I am excited that this month we will be talking about

STEWARDSHIP.

We will be discussing with the teens what it means to steward what God has given us. Specifically our **Time, Gifts, and Money.** These are all things that we are responsible for being productive with. We will be unpacking scripture dealing with these issues and hopefully motivating our group to use what

they have for God's kingdom; even if it isn't much. Please help us teach these lessons by discussing them with your teenager and challenging them to use what God has given them instead of "burying it" or using it for selfish gain. This would be a good time for you to discuss how you steward what God has given you with your child. They might have any idea how you are using what God has given you for His glory.
