

PROVEN WAYS TO EFFECTIVELY BUILD SUPPORT FOR CCLS-U

CHAPEL OFFERINGS

Most Lutheran schools collect chapel offerings in support of a cause. All chapel offerings at our school go to CCLS-U, as do at least a percentage of the offerings at all special services throughout the school year.

CASUAL FOR A CAUSE DAYS

For a school with uniforms, students bring in at least \$1 on these special days in support through this free dress day.

GARAGE SALES, BAKE SALES, & LEMONADE STANDS

Our school families found that these events in tandem bring in a lot of support if the cause is well-publicized. Even strangers love to support a great cause!

AUTHENTIC BEADS = BEAUTIFUL JEWELRY

Our traveling teams bought as many beads in the village as they could transport for a miniscule amount of money. Groups of ladies here would then fashion the beads into jewelry that is sold at school events, church, and any other time possible.

PAYCHECK WITHHOLDINGS

The staff at CCLS-St. Louis can choose to have an amount of money withheld from their paychecks every month. We feel this is one of the best ways that our teachers can ensure that students at CCLS-U are receiving instruction for quality, Christian educators.

CHRISTMAS ORNAMENTS

Volunteers within the school community create Christmas ornaments with various CCLS-U designs. Knowing every dollar goes to the project, homemade items like this sell like hotcakes.

BIRTHDAY PARTY DONATIONS

No presents for the birthday boy or girl, only gifts and support for CCLS-U!

CHRISTMAS CARDS

We took a picture of the CCLS-U kids dressed up in nativity scene outfits. We placed the picture on the front of professionally-printed Christmas card to sell, with a note about the project on the back of the card.

SELLING BRICKS

In order to raise funds for the first building, we sold model bricks for \$10 each. We found that people would buy bricks for people on their Christmas list and let them know about the donation in their name.

CCLS-U COFFEE CUPS & T-SHIRTS

Print disposable coffee cups and t-shirts with the school logo. They are great conversation starters to gain support in the community!

HOSTING BENEFIT CONCERTS

The Museum - a national recording artist - donated two concerts at our facility in support of this great cause. We think that a number of artists may be willing to do something similar.

TUITION SPONSORSHIPS

Upon re-enrollment or registering their own child, parents can choose to support students at CCLS-U with simple automatic monthly tuition deductions.

A TASTE OF AFRICA

We have a school family that opens up their home to host an adults-only wine reception has raised a large amount of funds. Finding donors for the wine and appetizers will increase the amount raised. Not only is it a great fundraiser, it serves as an excellent community-building event.
