GORDON WILSON

Dr. Wilson is a Senior Fellow of Natural History at New Saint Andrews College. He received his Ph.D. from George Mason University in Environmental Science and Public Policy. He holds a Master of Science degree in Entomology and a Bachelor's degree in Education (Secondary Education-Biology) from the University of Idaho. Dr. Wilson has taught in the Department of Biology at Liberty University and at Lynchburg College, and served as lab instructor at the University of Idaho. Dr. Wilson and wife Merideth have four children.

MICAH HUMPHREYS

Dr. Humphreys comes from the great state of Oklahoma, where he attended Oklahoma State University and received his Bachelor of Science and Master of Science in Plant and Soil Science. After OSU, he attended Purdue University where he earned a Ph.D. in Environmental Soil Chemistry. He teaches Agroecology, Soil Science and Range Management. Dr. Humphreys and wife Emily have three children.

hosted by **CHRIST COVENANT REFORMED CHURCH**
