## SEEKING COUPLES TO PARTICIPATE IN A STUDY

We are looking for married couples, who identify as Christian, to participate in a study that will investigate the relationship among marital satisfaction, political ideology, and strength of Christian faith. This study will involve answering questions posted on-line. Completing these questions should take no more than 45 minutes to complete. Your participation in this study will help guide future research, the development of effective marital interventions, as well as add to the public discourse related to political preferences. Additionally, the research will help guide the education of marriage therapists within the Department of Counseling and Student Affairs at Western Kentucky University. Participants may enter a drawing for a \$25 restaurant gift card.

To begin the on-line survey, please click [here](#).
