A REMINDER

Over the past week, the Unitarian Universalist Church and Holy Trinity Lutheran Church (both located on Nashville Road) were burglarized. A couple was arrested Wednesday and charged with both burglaries.

These events serve to remind all of us that if you are the last one to leave the building, please remember to secure the building by setting the alarm as you leave.

Thanks!

- † Conversations with Scripture Class – Cates Lounge – Ken Casey
Remember Jesus? St. Augustine holds that our memory is well thought of as a vast treasury. We do well also to think of Jesus as an immense treasure capable of overflowing even such a vast place. We gather each Sunday (except the first Sunday of the month) to see how Jesus is remembered in the Gospel of Matthew. Join us as we listen to one another and add our own memories of how Jesus serves as an inexhaustible source of love, power, and good tidings.

COMMUNITY CONVERSATIONS

Please join Father Steve and the Vestry during May as we engage in a process of strategic discernment. In small group settings, everyone will have the chance to offer their input on what is working, what could use some sprucing up, and new areas of ministry that we haven't even begun to explore.

A number of meeting sites and times in May have been arranged to allow every member of the church to get involved. **Registration is still open! Please register online by going to www.cecbg.com/#/welcome/community-conversations. You can also register by paper forms found on the Surface Hall cabinet and the Church Office. Each individual or couple is asked to complete a registration form, whether online or paper.**

Your input is vital as we seek to listen for the Spirit's call, looking for where God would have us go over these first few years of our life together.

Check the calendar on the first two pages of this *TWACC* to check next week's Community Conversations' dates, times, and locations.

LIVING WATERS FOR THE WORLD

Living Waters for the World (LWW) is a “global outreach ministry...that trains and equips mission teams to share the gift of clean water treatment systems with communities in need. The water treatment systems and related educational programs fill a critical niche in the world water crisis—helping communities with available but contaminated water to obtain a clean water supply.”

The Christ Church LWW Mission Team is planning to travel to Peru in January 2018 to install a water purification system in the community of Santo Thomas, on the Rio Orosa, a tributary of the Amazon River. It will be installed in a medical clinic run by Project Amazonus. Five members of the team are in Oxford, MS, this week to attend training at Clean Water U. Please pray for the team and for our partners in Peru. Donations are currently being collected in the 5-gallon water jugs near the assembled system in Surface Hall. Donations may also be made online at www.cecbg.com or by placing a check in the Sunday offering labeled LWW Mission Trip.
