Your input is vital as we seek to listen for the Spirit’s call, looking for where God would have us go over these first few years of our life together.

In an effort to better care for God's creation, the Children's Ministry and the Garden Ministry will add annuals and perennials to the registered Monarch Butterfly Waystation that exists on the grounds of Christ Church on the Sundays listed above.

Monarch Waystations are places that provide resources necessary for monarch butterflies to produce successive generations and sustain their migration. For the past seven years, the gardens have been established and maintained to meet the requirements of being an official site on the National Registry of Monarch Butterfly Waystations.

During Children's Church on the Sundays listed above, the children will be outside planting. Please dress your children for messy work!

LIVING WATERS FOR THE WORLD

Living Waters for the World (LWW) is a “global outreach ministry...that trains and equips mission teams to share the gift of clean water treatment systems with communities in need. The water treatment systems and related educational programs fill a critical niche in the world water crisis—helping communities with available but contaminated water to obtain a clean water supply.”

The Christ Church LWW Mission Team is planning to travel to Peru in January 2018 to install a water purification system in the community of Santo Thomas, on the Rio Orosa, a tributary of the Amazon River. It will be installed in a medical clinic run by Project Amazonus. Please pray for our mission team and our mission partners. Donations are currently being collected in the 5-gallon water jugs near the assembled system in Surface Hall. Donations may also be made online at www.cecbg.com or by placing a check in the Sunday offering labeled LWW Mission Trip.

EDUCATION FOR MINISTRY

Are you searching for a deeper understanding of Christianity, the Episcopal Church, and your personal faith? Consider joining Education for Ministry (EfM).

Each Sunday, near the conclusion of our worship service, we repeat a prayer that includes the phrase, “and now, Father, send us out to do the work you have given us to do...” EfM offers lay people a path to discover ways to respond to that call to Christian service.

Building an understanding of our faith through the study of sacred texts, Church history, and theology, we begin to practice using this understanding in reflections on many different topics, often brought to the class by the members. And, we reflect on our own call to ministry.

EfM is a big commitment – four years in all. But students who have participated might describe it more as a weekly discipline of reading and reflection with others who are seeking to understand. We encourage you to take the first step and commit to one school year of weekly readings and class meetings. And, if you were part of EfM in the past, consider resuming your study this year.

Our two groups of 7 to 12 students meet on Monday mornings or Monday evenings. Classes will begin in late August. The tuition, paid to the University of the South, is \$375, which covers all materials for the year.

How can you find out more?

- Talk to a mentor in Surface Hall after either service on Sunday, May 21.
- Contact one of the mentors listed below by phone or email.
- Go to the EfM website – <http://efm.sewanee.edu/about-efm/about-efm>

We would like to have our EfM classes organized by June to ensure that we receive our books in time to start in August. And we would like to have you as a part of our group.

This might just be the missing piece of your spiritual life. Join us!
