## **FOYER GROUP SIGN-UP**

Foyer Groups provide adult parishioners and those new to our parish a chance to get to know each other and experience parish life by gathering to talk and share in friendship. Each Foyer Group is made up of 8 to 10 parishioners who meet once a month in homes or at various locations or restaurants throughout the Bowling Green area. The meetings are casual and are set around sharing a simple meal together. We make every effort for each group to be intergenerational with a mix of couples and individuals in order to further the opportunities to get to know people in a small group setting.

For more information, please contact Judy Reimer ([j.reimer@twc.com](mailto:j.reimer@twc.com)) or Sue Edwards ([sumace2@gmail.com](mailto:sumace2@gmail.com)).

Sign-up sheets are available online at [www.cecbg.com/#/welcome/foyer-group-sign-up](http://www.cecbg.com/#/welcome/foyer-group-sign-up) or in the Church Office. If you were given a paper sign-up form during our recent Community Conversations, please return your completed form to the marked box in the Church Office.

## **DISCERNING A MINISTRY TO THE DEAF**

Several Christ Church members are beginning to explore the possibility of developing a Ministry to the Deaf and Hard of Hearing at Christ Episcopal Church. The hope is to eventually offer Interpretive Services for the Deaf at the 8:00am service, American Sign Language classes, and other services to the deaf and hard of hearing living in the greater Bowling Green area.

If you are interested in joining the planning process, please contact Bill and Tricia Good ([bill@episcopaljourney.com](mailto:bill@episcopaljourney.com) or 270-777-6896) or Terry and Miliska Knauft ([m.knauft@twc.com](mailto:m.knauft@twc.com) or 270-901-0079).

## **EDUCATION FOR MINISTRY**

Are you searching for a deeper understanding of Christianity, the Episcopal Church, and your personal faith? Consider joining Education for Ministry (EfM).

Each Sunday, near the conclusion of our worship service, we repeat a prayer that includes the phrase, “and now, Father, send us out to do the work you have given us to do...” EfM offers lay people a path to discover ways to respond to that call to Christian service.

Building an understanding of our faith through the study of sacred texts, Church history, and theology, we begin to practice using this understanding in reflections on many different topics, often brought to the class by the members. And, we reflect on our own call to ministry.

EfM is a big commitment – four years in all. But students who have participated might describe it more as a weekly discipline of reading and reflection with others who are seeking to understand. We encourage you to take the first step and commit to one school year of weekly readings and class meetings. And, if you were part of EfM in the past, consider resuming your study this year.

Our two groups of 7 to 12 students meet on Monday mornings or Monday evenings. Classes will begin in late August. The tuition, paid to the University of the South, is \$375, which covers all materials for the year.

How can you find out more?

- Talk to a mentor in Surface Hall after either service on Sunday, May 21.
- Contact one of the mentors listed below by phone or email.
- Go to the EfM website – <http://efm.sewanee.edu/about-efm/about-efm>

We would like to have our EfM classes organized by June to ensure that we receive our books in time to start in August. And we would like to have you as a part of our group.

This might just be the missing piece of your spiritual life. Join us!

### LIVING WATERS FOR THE WORLD

Living Waters for the World (LWW) is a “global outreach ministry...that trains and equips mission teams to share the gift of clean water treatment systems with communities in need. The water treatment systems and related educational programs fill a critical niche in the world water crisis—helping communities with available but contaminated water to obtain a clean water supply.”

The Christ Church LWW Mission Team is planning to travel to Peru in January 2018 to install a water purification system in the community of Santo Thomas, on the Rio Orosa, a tributary of the Amazon River. It will be installed in a medical clinic run by Project Amazonus. Please pray for our mission team and our mission partners. Donations are currently being collected in the 5-gallon water jugs near the assembled system in Surface Hall. Donations may also be made online at [www.cecbg.com](http://www.cecbg.com) or by placing a check in the Sunday offering labeled LWW Mission Trip.

### ONLINE GIVING
