## SHARING FAITH DINNERS

How has your faith impacted your life? The process of sharing stories helps to deepen our own personal faith. Hearing others' stories of God's presence in their lives brings us into deeper relationship with each other and with God.

Join us on Thursday evenings in September from 5:30-7:00pm as we share a meal, get to know one another, and share stories of faith through engaging questions. Please register online by visiting the Sharing Faith Dinners tab under the Formation page on our church website, [www.cecbg.com](http://www.cecbg.com), or by contacting Laura Goodwin ([laura@cecbg.com](mailto:laura@cecbg.com)). Bring the whole family!

## SHARING FAITH FOR KIDS

Thursdays in September will include children also! Dinner is from 5:30-6:00pm for children. The children will then be dismissed to Children's Choir with Brittany Whitlow and then will share their own faith stories with Father Steve and Mother Becca.

The children of Dishman McGinnis Elementary School are in need of mentors. Join Father Steve in supporting the teachers and staff at Dishman McGinnis in raising up the next generation of leaders. For more information, please contact Father Steve ([steve@cecbg.com](mailto:steve@cecbg.com)).

## EPISCOPAL CAMPUS MINISTRY (ECM) COLLEGE COOKERS NEEDED

## FAIR TRADE COFFEE AND TEA SALE

Look for the upcoming date for the Fair Trade Coffee and Tea Sale in November. By then you'll need some hot coffee, tea, cocoa, and chocolate to go with the cold weather.

## LIVING WATERS FOR THE WORLD

Living Waters for the World (LWW) is a “global outreach ministry...that trains and equips mission teams to share the gift of clean water treatment systems with communities in need. The water treatment systems and related educational programs fill a critical niche in the world water crisis—helping communities with available but contaminated water to obtain a clean water supply.”

The Christ Church LWW Mission Team is planning to travel to Peru in January 2018 to install a water purification system in the community of Santo Thomas, on the Rio Orosa, a tributary of the Amazon River. It will be installed in a medical clinic run by Project Amazonus. Please pray for our mission team and our mission partners. Donations are currently being collected in the 5-gallon water jugs near the assembled system in Surface Hall. Donations may also be made online at [www.cecbg.com](http://www.cecbg.com) or by placing a check in the Sunday offering labeled LWW Mission Trip.
