## **LIVING WATERS FOR THE WORLD**

Living Waters for the World (LWW) is a “global outreach ministry...that trains and equips mission teams to share the gift of clean water treatment systems with communities in need. The water treatment systems and related educational programs fill a critical niche in the world water crisis—helping communities with available but contaminated water to obtain a clean water supply.”

The Christ Church LWW Mission Team is planning to travel to Peru in January 2018 to install a water purification system in the community of Santo Thomas, on the Rio Orosa, a tributary of the Amazon River. It will be installed in a medical clinic run by Project Amazonus. Please pray for our mission team and our mission partners. Donations are currently being collected in the 5-gallon water jugs near the assembled system in Surface Hall. Donations may also be made online at [www.cecbg.com](http://www.cecbg.com) or by placing a check in the Sunday offering labeled LWW Mission Trip.
